## EXECUTIVE SUMMARY

Under Section 129 of the *Local Government Act 1999 (SA)* the Auditor must provide to Council a report on matters arising from the audit and specifically identify in the report, any irregularity in the Council's accounting practices or the management of the Council's financial affairs identified by the Auditor during the course of the audit.

BDO Chartered Accountants (BDO) completed their interim audit during the period 15 May 2023 through to 2 June 2023. As is normal practice and based on their work to date BDO have provided an "Interim Report on the 2023 External Audit" to the Presiding Member of the Audit and Risk Committee, Mr David Powell per **Attachment A**.

BDO's Interim Report notes they have identified no material deficiencies in internal controls which would impact audit testing or expose the Council to risk of material misstatement of results for the year ended 30 June 2023. A final report on matters arising from the audit will be provided to the Audit and Risk Committee on 6 October 2023.

## DISCUSSION

1. The external auditors for the Council are BDO Chartered Accountants (BDO). The role of the external auditor is to provide an opinion to Council with respect to the audited financial statements. In planning the audit, the auditor considers the internal controls to determine their audit procedures for the purpose of expressing an opinion on the financial statements, and the effectiveness of the financial control environment.
2. Under Section 129 of the *Local Government Act 1999 (SA)* the auditor must provide to Council a report on particular matters arising from the audit and specifically identify in the report, any irregularity in the council's accounting practices or the management of the council's financial affairs identified by the auditor during the course of the audit.
3. At the meeting of the Audit and Risk Committee on 3 February 2023, the Audit and Risk Committee endorsed the proposed 2022-23 End of Year financial reporting process and external audit timetable. The associated report highlighted that BDO had scheduled to carry out their audit in two parts with the interim audits conducted in May 2023 and the final phase of the audit concentrating on the Corporation's draft financial statements to be carried out at the end of August 2023.
4. BDO have provided an "Interim Report on the 2023 External Audit" to the Presiding Member of the Audit and Risk Committee, per **Attachment A**.
5. At the time of the "Interim Report on the 2023 External Audit" BDO had not completed testing of all the core controls because some relate to annual processes and consequently will not occur until the end of the financial year with others more closely aligned to testing normally conducted after year-end.
6. The controls to be tested did not yield exceptions in the prior year nor does current internal reporting indicate significant issues.
7. Based on the work-to-date, BDO's Interim Report notes they have identified no material deficiencies in internal controls that would lead to a qualification to the audit report on internal controls.
8. Key issues identified during the audit planning process included:
  - 8.1. Revaluation, depreciation, useful lives and residual values of Infrastructure, Property Plant and Equipment Assets.
  - 8.2. Accounting treatment of Capital Work in Progress.
  - 8.3. Management override of internal controls – standard compliance check.
  - 8.4. Cut off grant funding and accuracy of any amounts deferred at 30 June 2023.
  - 8.5. Change in IT platform.
  - 8.6. Accounting for Non-Current Assets Held for Sale.
  - 8.7. Accounting for amendments made to the Central Market Arcade development contract.
9. It is appropriate that the Audit and Risk Committee notes the Interim Report on the 2023 External Audit.
10. In accordance with the agreed timetable endorsed by the Audit and Risk Committee at the 3 February 2023 meeting, BDO will present a final report on matters arising from the audit to the Audit and Risk Committee on 6 October 2023 (revised from 29 September 2023).
