

PETITION

IMMINENT CLOSURE OF ADELAIDE AQUATIC CENTRE

To the Lord Mayor and Councillors of the City of Adelaide

According to recent announcements by the State government, the existing Adelaide Aquatic Centre will close for demolition in August 2024 so that a new facility can then be built, over a period of 18 months. This action will negatively impact tens of thousands of users, many of whom are vulnerable.

We, the undersigned hereby

1. Request that the Adelaide City Council refrain from closing and demolishing the existing centre, at least until a new suitable facility is built.
2. Request that the Adelaide City Council collaborate with the State government to ensure that there is a seamless transition, so that no user is inconvenienced.
