| 1 | The hospital shouldn't be located within the Park Lands The Adelaide Aquatic Centre shouldn't be within the Park Lands |
| 2 | Loves events such as Womad, especially family friendly events Happy to see fencing in the Park Lands. Doesn't consider fencing to alienate Park lands. |
| 3 | Favourite Park Lands locations include Rundle Park / Kadlitpina (Park 13), Rymill Park / Murlawirrapurka (Park 14), and Pelzer Park / Pityarilla (Park 19) Loves ornamental Park Lands We need more benches in the Park Lands (especially in Rundle Park / Kadlitpina (Park 13)) Loves BBQ's in the Park Lands |
| 4 | Not a Park Lands user as they live in Crafers Big community events would entice them to use the Park Lands more |
| 5 | Marshmallow Playground is great Love the free tennis courts Love the new looking automated toilets Is happy to see event fenced in the Park Lands and doesn't consider this to be alienated |
| 6 | Interested in revegetation - need more in the Park Lands More information needs to be publicly available about where sites can be found in the Park Lands Consider more "come and join" revegetation planting days |
| 7 | Not a Park Lands user but loves the park up Majors Road near Happy Valley (Glenthorne National Park) Supportive of big fenced events in the Park Lands |
| 8 | Loves Bonython Park / Tulya Wardli (Park 27) Loves bike riding, especially dirt bike riding |
| 9 | Love natural diversity Doesn't know here to go to see native plants and we need better online and onsite information and signage No parking near Park Lands ever available Consider comparing the Park Lands against best practice of other parks around the world (e.g. NYC Central Park) Parks can be quite unsafe if they aren't busy Kaurna history is not well advertised online or in the Park Lands. Doesn't know where to go see/learn about Kaurna history in the Park Lands West Tce is considered to be a waste of space. Underutilised. Loves a park up the freeway because it does a good job at encoring birds in the park There needs to be better public access around the Park Lands. |
| 10 | Not a Park Lands user Moore children focused events and playgrounds would encourage them to sue the Park Lands more then they currently do |
| 11 | Not a Park Lands user. Visiting from England They have noticed the Park Lands on maps but not included anywhere on visitor information or guides Very impressed by the Park Lands |
| 12 | Not a Park Lands user as he doesn't get out much Keep doing what we're doing in the Park Lands as it looks great Used to use sorting club facilities quite a lot |
| 13 | Loves the Park Lands and should consider supplying some brochures at future community forums with information on Kadaltilla |
| 14 | Not a Park Lands user as a visitor to Adelaide Didn't see any information on Park Lands in guides/advertisements etc |
| 15 | Loves the wetlands Loves the promenade being lined with natives More unification needed in Victoria Park / Pakapakanthi (Park 16) Keep the grandstand in Victoria Park / Pakapakanthi (Park 16) Move the racing from Victoria Park / Pakapakanthi (Park 16) to non-Park Lands location such as West Tce |
| 16 | Loves running around tracks near aquatic centre and the oval Wilderness use for PE Doesn't like the horse in Lefevre Park / Nantu Wama (Park 6) as its considered to be wasted space Victoria Park / Pakapakanthi (Park 16) is underdeveloped and should be the centre of Adelaide |
| 17 | Plays soccer in the Park Lands We need better facilities for parents and children at the sporting grounds |

| | |
|----|--|
| | Considers the horses in Lefevre Park / Nantu Wama (Park 6) to be alienated Park Lands |
| | Would be okay with police horses going into Lefevre Park / Nantu Wama (Park 6) |
| 18 | Would love to see a fruit and vegetable market in the Park Lands. |
| | Need more seating in Park Lands but they must be under shade as too many seats located in full sun and therefore are unusable in heat |
| | Loves the sound of water running |
| 19 | Prefers the look of native Park Lands |
| | Wants to see more native grasses in Park Lands |
| | Was upset to see the nature park near the law courts in the city be demolished as it was beautiful and so few green spaces in city already |
| 20 | Need more nature areas of woodlands i.e. trees and shrubs. Concerned that they will be built on. |
| | More protection from weather i.e. seating and shelters |
| | Suggests free outdoor Yoga/Fitness/Pilates Classes run by council to engage community |
| 21 | Community meetings could be held in Park Lands |
| | Need larger variety of Trees in Park Lands |
| | Better maintenance of facilities |
| | More kid friendly events and play areas |
| 22 | Uses the Park Lands sometimes mainly for dog walking |
| | Is near park 6 (horses) which feels alienated |
| | Enjoys walking through Veale Gardens |
| 23 | Strongly against any development in the Park Lands |
| | Garden in Mary Lee park has an issue with the fence |
| | Further agreement with community garden groups needed to ensure land use and footprint kept to a minimum |
| | Concerns surrounding increasing path width - Acknowledges accessibility requirements but losing too much park |
| | South East Cycling Path could be improved with better placement alongside roads, keeping Park Lands for recreational use |
| 24 | Needs better access and infrastructure for wheelchair users and scooter users |
| 25 | An active user of the Park Lands |
| | Suggest better cycling path connectivity |
| | Better communication with stakeholders and community needed regarding masterplans |
| | Suggest use of Nature Play for intergenerational engagement |
| 26 | Better lighting need for the elderly, disabled and visually impaired |
| | Better footpaths need for the elderly, disabled and visually impaired |
| 27 | Active user for dog walking, leisure walking and bike riding |

| 33 | Daily users of the bike trails think that they are safe and well kept travelling into City from Paradise |
| | Thinks the Victoria Park Wetlands are fantastic and Council has done a great job |
| 34 | Bike rider who uses the North - South pathway on the western side of Victoria Park |
| | Wants to see a direct/continuous path over Wakefield Road going north through King Rodney Park. |
| 35 | User thinks lighting could be improved for runners and walkers |
| 36 | Not a City of Adelaide resident (interstate visitor walked through Park Lands to get to tourist attraction (Haigh's Factory)) |
| | Found the signage good but did need to also refer to google maps to find his way |
| 37 | Not a City of Adelaide resident (regular users of the Park Lands coming from western suburbs) |

| | |
|----|--|
| | Mainly visits Adelaide Oval and the zoo |
| | Would like more shaded amenities (BBQs, play areas) in the Western Park Lands |
| 38 | Encroachment on the Park Lands a big issue |
| | Used to walk through the Eastern Park Lands however now uses north Torrens /Linear Trail |
| | Suggests the need to be more mindful of the impact of encroachments caused by events and thinks building more multiuse permanent infrastructure may help combat this issue and will mean residents can use the Park Lands more |
| 39 | User walks their dog in Victoria Park |
| | Finds it confusing as to where dogs are allowed on leash and off leash due to recent changes |
| | Thinks the wetlands are beautiful |
| | Enjoys doing Park Run and attending events such as Fringe |
| 40 | Not a City of Adelaide resident (interstate visitor) |
| | Had never heard of the Park Lands as they weren't promoted to them when looking to visit Adelaide |
| 41 | Wants more public toilet facilities throughout the Park Lands |
| 42 | Wants more information available in wetlands and along trails regarding Kaurna culture and connection to Park Lands rather than information regarding European settlement and pioneer history |
| 43 | Not a City of Adelaide resident (interstate visitor) |
| | Rides bikes/BMX |
| | Suggests more active facilities such as bike specific trails and skate parks to encourage kids to be active |
| 44 | Thinks the Park Lands are a great and affordable place to take families for picnics and to use |
| 45 | Doesn't use the Park Lands much and only sometimes for running |
| | Safety is a concern particularly the lack of lighting |
| | Isn't too concerned about preservation for important facilities such as WCH, police horses etc. |
| 46 | They have previously played cricket in the parks, however, they don't use them much anymore as they live outside of the City |
| | Value the open spaces available in the City |
| 47 | Enjoys the kids playgrounds and thinks they are well equipped and maintained |
| | Strongly against major development on the Park Lands |
| | The Park Lands are a special part of Adelaide, adding value and uniqueness to the city |
| 48 | Regular user as lives locally, using mainly for picnics, walking, and bike riding on trails |

| | Park Lands need more food vans and activation |
| | Loves the Tusmore paddling pool, and the scale of the space |
| | Loves the Botanic Gardens |
| | Loves cycling in Victoria Park |
| | The Park Lands (and Victoria Park) should be activated more |
| | Not a City of Adelaide resident (from the UK) |
| | Thinks the Park Lands are world class |
| 107 | Loves walking and cycling in the Park Lands |
| | Need new lighting for pitches |
| | The kids soccer club playing surface needs maintenance (it's gross and bumpy) |
| | Need dog bays at all bins |
| | Need recycling bins |
| 108 | Uses Park Lands twice a day, every day, to run and cycle |
| | Thinks the Park Lands are marvellous (nothing like this anywhere else in the world) |
| 109 | Uses Park Lands for walking to the dog park, running, doing Park Run, and cycling to work |
| | Not a City of Adelaide resident (lives in Underdale) |
| | The dog park needs more maintenance of the grass seeds in summer |
| | Supports low impact developments, with still lots of grass |
| | Worried about the nWCH and the impact on Bonython Park |
| 110 | Loves cycling in Park Lands |
| | Loves walking the dog along the river |
| | Uses Park Lands for soccer training and games |
| | Need to improve the playing surfaces |
| | Need to improve the clubrooms (from 1960's), as they currently discourage girls (no girl bathroom facilities) |

| | |
|-----|--|
| | Organise more support building for sport |
| 111 | Loves cycling in Park Lands (twice on the weekend ride down to Port Adelaide and back) |
| 112 | Loves cycling in the Park Lands (on the way to Pirate Life Brewing) |
| 113 | Wants to see more things for Unley like skate parks and playgrounds Park Lands are great |
| 114 | Alienation of soil is reversible Consider a new product "JakMat" (the mats stabilise pathways/driveways whilst maintaining an attractive grass surface) |
| 115 | Wants the Park Lands to stay as it is Wants better lighting along River Torrens Linear Park Trail |
| 116 | Not a City of Adelaide resident (lives at Bowden) Rides to work Loves walking and running in the Park Lands Uses underpass to access Park Lands Lots of favourites areas in the Park Lands, including the view from the weir Park Lands are great opportunities for green space Likes events and activities, especially in Bonython Park Need more online Park Lands promotion (especially event promotion like through a Park Lands diary) Loves Adelaide running festival Only finds out about events when see them happening |
| 117 | Loves the Park Lands Trail |
| 118 | Does not like that there are not many shaded areas to sit |
| 119 | Sport greatly benefits Park Lands, as people wouldn't come if no club sport there Need sport buildings with more than one level of viewing Likes Exeloo bathroom facilities where needed Favourite area is Marshmallow Playground Skate Park looks great |
| 120 | Looks at "Kids in Adelaide" page to find out what's going on Need more assessable parking Likes the traffic light crossing across Park Terrace to Park Lands from Bowden Hates bitumen carparks and thinks we should consider different materials such as grass Social media should be used more to promote the Park Lands |
| 121 | Need an architectural viewpoint so that Government clubrooms are a drawcard (and funded by the Government) Aged building need to improve More privately funded clubrooms needed |
| 122 | Need a better building for the soccer club in Mary Lee Park |
| 123 | Facilities in Mary Lee Park (and Park Lands) need improving |
| 124 | Parking is limited |
| 125 | Need to liaise with DIT to remove the no U-turn sign on Park Terrace (just opposite the club building) |
| 126 | Need a play space close to the soccer grounds in Mary Lee Park (the play equipment near tennis courts is too far away and too small for multiple children to use at once) |
| 127 | The club is great for kids but need to improve the surface in Mary Lee Park |
| 128 | Likes the walking trails around the Park Lands No police horses in Park Lands |
| 129 | Biodiversity areas and natural areas in Park Lands are good for mental health No police horses in Park Lands |
| 130 | Need more toilets in Park Lands |
| 131 | More parking in/near Park Lands needed |
| 132 | Likes the recreation hubs but should be more of them (lots of open space currently not being used) |
| 133 | There is a great supply of ovals (compared to Sydney for example) |
| 134 | Quality and availability of the ovals in Park Lands is great |
| 135 | Would like to see artificial turf-comparable to other clubs across metro area- as the grounds can get boggy at times |
| 136 | Loves to visit Bonython Park play space with grandchildren and go to the soccer with them Parking is a major issue in Park Lands, especially for older people who can't walk big distances |
| 137 | Would like to see more biodiversity plantings (should not be planting non-natives anywhere in the Park Lands) |
| 138 | Be good to have more nature trails with interpretive signage in the Park Lands |
| 139 | Only visit Park Lands for soccer as there is nothing else to do in them |
| 140 | Would like to see wetlands similar to those in Victoria Park in the Northern Park Lands |
| 141 | The facilities for the soccer in Mary Lee Park are not adequate (needs more parking and a better building) |

| | |
|---|---|
| 142 | Not a City of Adelaide resident (from Bowden) Love the open space but would like to see more playgrounds in the Northern Park Lands |

| 146 | Parks and facilities need better promotion |
| 147 | Need better turf and sports ovals |
| 148 | Lots of walking paths in the Park Lands which are 'amazing' Politically no issues with SAPOL being located in the Park Lands if integrated well Consider more food options in the Park Lands (e.g. pop-up coffee/kiosk) Activate (and promote) the river River currently an eyesore with lots of rubbish, and not cleaned regularly Need dog drinking facilities |
| 149 | Park Lands are a lovely place to walk and feel safe |
| 150 | Happy to see that graffiti is removed quickly Likes playing soccer in the Park Lands, but doesn't attend Park Lands other than that except for big events Need more outdoor covered areas Need more water spaces in Park Lands |
| 151 | Loves the bike riding tracks in Victoria Park (favourite) Loves the Adelaide Botanic Gardens Finds out what is happening in Park Lands when seeing signs in Park Lands Does a daily run along the River Torrens Doesn't feel alienated from any areas of the Park Lands Park Lands should be promoted through Instagram and signs in the Park Lands |
| 152 | Doesn't like cyclists in the Park Lands because they take over the path, speed along, don't use a bell, and have no etiquette Doesn't believe that the Park Lands need promotion Uses Bonython Café |
| Victoria Park / Pakapakanthi (Park 16) - 8 October 2023 Total = 95 responses | |
| 153 | Loves the new wetlands Thinks some of the statues etc along the wetlands are out of place More big trees around wetlands needed |
| 154 | Lots of dangerous cyclists riding fast on shared paths so we should consider more separated paths |
| 155 | Consider putting a children's playground near the wetlands |
| 156 | Doesn't want the racing track moved as indicated in the Victoria Park master plan because it will make the track more boring for children's races (the top curve makes it harder and more interesting to ride along) The COA Facebook page needed a map of Biofair location There needs to be more Biofair directional signage as they couldn't find the event |
| 158 | Loves the wetlands Wants more nature based play spaces near wetlands Not a City of Adelaide resident There needs to be more Biofair directional signage as they couldn't find the event |

| | Not a City of Adelaide resident (lives in Semaphore) |
| 166 | Not a City of Adelaide resident |
| | We need to continue to be guided by Kaurna about treating the Park Lands |
| | Need more native plants |
| 167 | Wants to move the Adelaide 500 race to somewhere outside of the Park Lands |
| | Minimise hardstand in Victoria Park |
| 168 | Remove hard paths and replace with gravel or ground earth, or rammed earth paths |
| 169 | No black bitumen. We should use light grey asphalt instead and try more different path types |
| 170 | Wants to move the Adelaide 500 race to somewhere outside of the Park Lands |
| | City of Adelaide resident |
| | Minimise hardstand in Victoria Park |
| 171 | Remove the wide shared paths as they are too overengineered for the Park Lands |
| | Remove steel balustrade throughout Park Lands and replace with timber posts and wire rope |
| 172 | Wants to move the Adelaide 500 race to somewhere outside of the Park Lands |
| | City of Adelaide resident |
| | Minimise hardstand in Victoria Park |
| 173 | Paths should curve more and be less straight as it forces cyclists to slow down and be more considerate of walkers |
| 174 | Need to honour the Park Lands more and naturally maintain natural paths |
| 175 | Current actions by Council makes it look like they don't care about the Park Lands |
| | It's clear that some Elected Members care about Park Lands by being outspoken against State Government projects, but Council staff never speak out or do anything to show they care |
| | Stop the construction of imposing built form in the Park Lands |
| | Buildings alienate them from the Park Lands |
| 176 | Wants to move the Adelaide 500 race to somewhere outside of the Park Lands |
| | City of Adelaide resident |
| | Adelaide 500 alienates them from the Park Lands |
| | Small non-fenced events like Peddle Pre are okay in the Park Lands |
| 177 | Stop the Adelaide 500 race. Don't continue even if they become electric |
| 178 | Too many threats to Park Lands lately (e.g. Police horses, hospital, etc) |
| | No Police Horses in the Park Lands |
| 179 | There will be no access from the nWCH to the Park Lands so the nWCH should be moved off Park Lands |
| | State Government buildings are preventing us building a community around the Park Lands |
| 180 | Kadaltilla and Council are absent from fights. They need to try to advocate for Park Lands even if they can't win to show their position and meet their legislative requirements under the Act to protect the Park Lands |
| | It's an ethical issue for Kadaltilla and Council to not strongly oppose hardstands and buildings in the Park Lands |
| | As Council is custodian of Park Lands they should be looking out for our benefits |
| | Kadaltilla does not currently protect the Park Lands |
| 181 | Need more money to fund Kadaltilla and more engagement |
| | Refer to "cityparkalliance.org" for an example of how things should be done |
| 182 | Park Lands not valued and this is why State Government keeps taking it for free |
| 183 | Likes the previous CLMP better as it has better detail and certainty, which protects the Park Lands more than the new draft |
| | City of Adelaide resident |
