Purpose

This report presents the outcomes of an Expression of Interest (EOI) process undertaken for eight Adelaide Park Lands community facilities distributed across six parks. Undertaking an EOI is required by section 13 of Council's Adelaide Park Lands Leasing and Licensing Policy (Policy).

The leasing of these Park Lands facilities to community organisations and educational institutions supports the City of Adelaide Strategic Plan (2024-2028) and the key action to 'enable community-led services which increase wellbeing, social connections and participation in active lifestyles, leisure, recreation and sport'.

This report recommends to Kadaltilla / Adelaide Park Lands Authority's (Kadaltilla) that the City of Adelaide offer eight Park Lands Community Leases for various community sports buildings, playing fields and courts located in Parks 6, 15, 17, 20, 22 and 26, for a maximum term of five years.

Discussion

Background

- 1. The Policy requires an Expression of Interest (EOI) process be undertaken before the consideration of granting any new lease in the Adelaide Park Lands that is for a period of greater than 12 months (including the renewal of a lease or licence).
- 2. The results of this EOI process are being referred to Kadaltilla / Adelaide Park Lands Authority's (Kadaltilla) for advice as it is a requirement of the Policy (2016) that the outcome of all EOI submissions received, be considered by Council.
- 3. The following eight Park Lands Community Leases were subject to an EOI process:

^{*} Initial Assessment Score

- 9. The respective weighted were calculated as follows:
 - 9.1. Community Benefit (50%)
 - 9.2. Management/Governance (40%)
 - 9.3. General (10%)

- 10. The scoring scale is detailed below:
 - 10.1. Excellent = 5
 - 10.2. Good = 4
 - 10.3. Satisfactory = 3
 - 10.4. Unsatisfactory = 2
 - 10.5. Poor = 1
 - 10.6. No Information Provided = 0
- 11. A copy of the assessment scores and comments can be viewed here (Link 1).
- 12. The EOI process was managed internally with submissions assessed by a panel consisting of the following members of Council Administration:
 - 12.1. Asset Manager, Buildings
 - 12.2. Asset Planner, Buildings
 - 12.3. Community Leasing Coordinator
 - 12.4. Coordinator Recreation and Sport Programs
 - 12.5. Community Facilities Coordinator

Lefevre Park/Nantu Wama (Park 6)

- 13. The EOI undertaken for Park 6 (see Image 1) was for:
 - 13.1. two single-storey community sports buildings with basic change room and storage amenities
 - 13.2. 3.72ha of playing fields with no sports lighting
 - 13.3. fenced multi-use courts (6 x netball courts ,7 x tennis courts), with some courts containing sports lighting

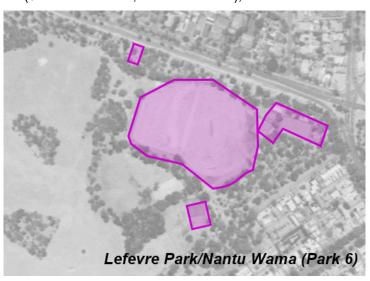

Image 1: Location Plan - Lefevre Park/Nantu Wama (Park 6)

- 14. At the closure of the EOI period, one submission was received.
- 15. The EOI panel reviewed the submission received from Wilderness School Ltd (Wilderness) against the selection criteria and determined that they:
 - 15.1. provide high levels of community utilisation through sub-leasing the facility to a diverse range of sporting clubs
 - 15.2. demonstrated capacity to maintain facilities to a standard acceptable to the City of Adelaide and the community
 - 15.3. supported the purpose for which the land is held as stated in the Adelaide Park Lands Community Land Management Plan (CLMP)

- 15.4. successfully illustrated their ability to align with the Adelaide Park Lands Management Strategy (APLMS) and strengthen the role of the Park Lands as a regional destination for competitive sport and a variety of active and passive forms of recreation
- 16. It is recommended that Wilderness be granted a five-year lease agreement for the facilities in Park 6, excluding the southern sports courts.
- 17. These courts, which are approximately 1,150.00m2 are in poor condition and are in close proximity to a large tree. Any resurfacing of these courts is likely to compromise the health of the tree and therefore, it is appropriate that these courts be removed.

King Rodney Park/Ityamai-itpina (Park 15)

- 18. The EOI undertaken for Park 15 (see Image 2) was for:
 - 18.1. a single-storey community building with basic change room amenities
 - 18.2. a 1.27ha playing field that is suitable for senior and junior level sport with sports lighting

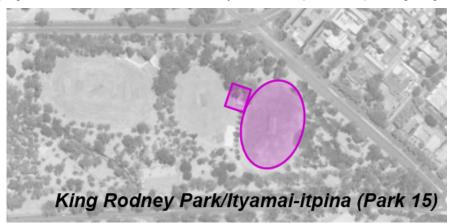

Image 2: Location Plan - King Rodney Park/Ityamai-itpina (Park 15)

- 19. At the closure of the EOI period, two submissions were received.
- 20. The EOI panel reviewed the submissions from Prince Alfred College and Goodwood Saints Football Club and Goodwood Cricket Club against the selection criteria and determined that:

Prince Alfred College (PAC)

- 20.1. demonstrated a range of sports programming and sub-leasing opportunities supporting male and female participation
- 20.2. demonstrated capacity to maintain facilities to a standard acceptable to the City of Adelaide and the community
- 20.3. supported the purpose for which the land is held as stated in the Adelaide Park Lands CLMP
- 20.4. successfully illustrated their ability to align with the APLMS and strengthen the role of the Park Lands as a regional destination for competitive sport and a variety of active and passive forms of recreation

Goodwood Saints Football Club and Goodwood Cricket Club (GSFC and GCC)

- 20.5. demonstrated programming of AFL activities for all ages and genders, with limited programming of cricket
- 20.6. did not provide evidence of subleasing opportunities by other organisations
- 20.7. supported the purpose for which the land is held as stated in the CLMP
- 20.8. successfully illustrated their ability to align with the APLMS and strengthen the role of the Park Lands as a regional destination for competitive sport and a variety of active and passive forms of recreation.
- 21. Due to the close scoring, additional programming information was requested from the two proponents to determine if they could co-exist. A review of the additional information showed that there was significant crossover between the two proponents proposed usage, and that the use of the facility by the Goodwood Cricket Club was overstated in their original submission.
- 22. Overall, PAC indicated greater utilisation of the facilities in Park 15 by the School and its sub-lessees, and it is recommended that Prince Alfred College be granted a five-year lease agreement for the facilities.

Carriageway Park/Tuthangga (Park 17)

- 23. The EOI undertaken for Park 17 (see Image 3) was for:
 - 23.1. a single-storey community building with basic amenities
 - 23.2. an open field of 1.04ha with lighting
