Dear Lord Mayor,

I wish to thank Lord Mayor for the letter dated 12 January 2024 whereby it was indicated that Lord Mayor is contemplating to postpone the trip to Penang Island after July 2024 due to commitments and unforeseen circumstances. I believe Lord Mayor is certainly tied up in Adelaide with duties and responsibilities and as such, I am including in this letter a table listing the dates that I have given my confirmation to other parties to attend. This information would enable Lord Mayor's office to plan the visit to Penang Island. We sincerely hope the Adelaide City's visit will take place sometime this year.

The delegates of the City Council of Penang Island and I are truly grateful for the warm reception and hospitality extended by the City Council of Adelaide and specifically Lord Mayor in receiving and accommodating us in December last year. It was an eye opening, exciting and educational experience; and a thoroughly enjoyable visit. We want to respond in the same manner by making Adelaide City Council delegate's stay in Penang a memorable and enthralling experience.

For Lord Mayor's kind information, we are planning a list of activities and programmes for Adelaide City's visit to Penang Island and we would be able to provide the details once for Adelaide City has firmed up the dates for the visit. Temperatures are soaring in Penang right now, in the range of 32-37 degrees during daytime and it is very humid. The slightly heavier rainfall period will start after May. As a cautionary note, the highest rainfall levels in Penang occurs in October and November.

I look forward to Adelaide City's confirmation on the dates for the visit to Penang Island. If the Lord Mayor's Office needs further information, the Director of Management Services, Mr. Azman Sirun can be contacted at +6019 474 1179 or via email: azman@mbpp.gov.my or the Director of Heritage Conservation, Ms Lee Tit Kun at +6012 5515 055 or via leetitkun@mbpp.gov.my, both of whom would be able facilitate your visit to Penang Island.

We are committed and hold good to our Sister City Relationship.

Thank you.

Yours sincerely,

(DATU Ir. RAJENDAN P. ANTHONY)
