

ATTACHMENT D - FACE TO FACE OPPORTUNITIES – IDEA POSTCARDS

Five opportunities were provided during the consultation period for the community to speak with council staff regarding the Draft 2024/25 Business Plan and Budget (BP&B). During these opportunities, members of the community were able to collect material relating to, discuss and ask questions regarding the BP&B. Additionally, idea postcards were available for those who wished to provide some comments whilst speaking with council staff.

Meander Market – Melbourne Street

Date held 27 April 2024

Approx number engaged with 45

Postcard Ideas

- O'Connell Street could do with an upgrade
- It would be great if the city Council provided sports grants for kids to compete in National and International competitions, like other Councils do.
- Water fountain on Melbourne Street. Partner with SA Water
- I love the tree lined streets and welcoming atmosphere
- Festival tickets
- Keep it green to make inviting streets
- Improve public transport
- Many SA Councils provide access to grants so that kids can travel interstate to sporting, academic and artistic events, however this Council doesn't - please consider
- "North Adelaide - I live here (54), my fav spot in Adelaide overall, the atmosphere, parks, people.
- Melbourne St - A special hub with cafes, some nice shops (not all of them), and a special place for medical specialists. Improvements? A little Foodland in the location of the wine shop (past). A local bakery would be great too."
- More Variety of food stalls from every culture
- How about some great public seating at night and some sort of lighting upgrades
- Allow staff to work from home
- I love the horse stables and the town
- North Adelaide has a community feel. Walkable to the CBD. Great and safe parklands. Cafes need to beat
- Please replace the tree that fell during the storm - near the Medindie Road yards (horse paddock) to produce shade and shelter to horses being fed
- The parklands are amazing!
- I love my school and the dog park
- Dog park and community feel among the dogs and owners
- More free parking during weekends
- We have everything in SA!
- I love the cloths stands but I think that on the street there should be more plants
- Love the market and the closure of Jerningham for the market. Next market close of part of Melbourne Street.
- I love the dresses when they change their outfit. I also like the Old Lion restaurant and the Gathered Market.
- I love the dog park
- - More electric vehicle chargers
- - Train line from the city to the Adelaide Hills
- - More parking spots near Rundle Mall
- - Cheaper public transport (28 and 14 day passes)
- - Reversible seats on public transport
- - Reduce congestion through North Tce"
- I love the beauty of North Adelaide - the rose beds, the open spaces especially the horse park, the Torrens Creek and Linear Park, the Cathedral and love Adelaide Oval!
- "We enjoy the parks and parklands in North Adelaide
- We enjoy when events are held on Melbourne Street as it creates a nice atmosphere."
- Please reconsider extending the tram to O'Connell Street, Thanks!
- Please reduce through-traffic in Lefevre Tce and slow it down! Especially at the southern-end!
