## ENGAGEMENT SUMMARY

Formal consultation on City of Adelaide's draft Park Lands and Open Space Asset Management Plan occurred between 2 April 2024 and 10 May 2024.

Community consultation included a Your Say Adelaide engagement page in conjunction with two drop-in sessions that were held at the Hutt Street Library (23 April, 12 noon - 2 pm) and the North Adelaide Library on Tynte Street (24 April, 10am - 12 noon).

Notification of the public consultation was announced through the Government Gazette and a Public Notice in the Advertiser, as well as advertised through physical and electronic promotion through City of Adelaide platforms including signage at community centres and social media campaigns.

### Your Say Survey

The Your Say Adelaide community engagement platform provided an overview of what Asset Management is as well as the purpose of the Asset Management Plan. Additionally, it highlighted the journey that has been undertaken to date in the development of the draft Asset Management Plans, which included:

- Preliminary engagement with our community to better understand and measure levels of satisfaction for the services provided by our assets.
- Identifying where current levels of service are not meeting the community's expectation, to then enable recommendations to be made to Council regarding how our assets are managed into the future through the development of the draft Asset Management Plans.

We have used the insights from the community to develop the draft Park Lands and Open Space Asset Management Plan and through the final consultation, asked the question, did we get it right?

Through the Your Say Adelaide engagement page, we received:

- 670 visitors to the Your Say Adelaide landing page (for all six AM Plans)
- 43 visitors who viewed the feedback form
- 2 survey responses

Respondents were prompted to provide demographic information, which is summarised below:

### **Drop-In Sessions**

From the two drop-in sessions that were held at the Hutt Street Library and the North Adelaide Library on Tynte Street, there were no verbal conversations with the community relating to the Park Lands and Open Space AM Plan.

## **YOUR SAY ADELAIDE ENGAGEMENT SUBMISSIONS**

<b>Respondent</b>	<b>Do you support the adoption of the AM Plan?</b>	<b>Comments</b>	<b>Response</b>
Respondent 1 (19/04/24)	Yes	The plan does not detail the action plans and what needs to be improved. Regardless there are a lot of parkland upgrades that are required. Rather than selling off the vital and unique parklands we need to treat it as though it's a heritage listed building or national park.	Park Lands and Open Space upgrades will be guided by the Adelaide Park Lands Management Strategy, where initiatives will be considered through the Business Plan and Budget process.
Respondent 2 (29/04/24)	Yes	The Park Land and our city's Open Space Assets are loved and often controversial. Adopting the Park Lands and Open Space Asset Management Plan will support residents and the ACC Administration to understand the longer term vision and how it will be developed.	-
