ENGAGEMENT SUMMARY

Formal consultation on City of Adelaide’s draft Water Infrastructure Asset Management Plan occurred between 2 April 2024 and 10 May 2024.

Community consultation included a Your Say Adelaide engagement page in conjunction with two drop-in sessions that were held at the Hutt Street Library (23 April, 12 noon - 2 pm) and the North Adelaide Library on Tynte Street (24 April, 10am - 12 noon).

Notification of the public consultation was announced through the Government Gazette and a Public Notice in the Advertiser, as well as advertised through physical and electronical promotion through City of Adelaide platforms including signage at community centres and social media campaigns.

Your Say Survey

The Your Say Adelaide community engagement platform provided an overview of what Asset Management is as well as the purpose of the Asset Management Plan. Additionally, it highlighted the journey that has been undertaken to date in the development of the draft Asset Management Plans, which included:

- Preliminary engagement with our community to better understand and measure levels of satisfaction for the services provided by our assets.
- Identifying where current levels of service are not meeting the community’s expectation, to then enable recommendations to be made to Council regarding how our assets are managed into the future through the development of the draft Asset Management Plans.

We have used the insights from the community to develop the draft Water Infrastructure Asset Management Plan and through the final consultation, asked the question, did we get it right?

Through the Your Say Adelaide engagement page and two drop-in sessions, we received:

- 670 visitors to the Your Say Adelaide landing page (for all six AM Plans)
- 13 visitors who viewed the feedback form
- 3 survey responses

Respondents were prompted to provide demographic information, which is summarised below:

Ratepayers:

1 survey respondents identified as ratepayers within the City of Adelaide (33.3%)

2 survey respondents identified as a non-ratepayer (66.7%)

Ratepayer, 33%

Non Ratepayer, 67%
