## PURPOSE OF WORKSHOP

The purpose of this report is to give Council Members an opportunity to workshop and provide feedback on the draft Adelaide Park Lands Management Strategy (APLMS) – Towards 2036.

On 23 May 2024, the Kadaltilla / Adelaide Park Lands Authority (Kadaltilla) endorsed the draft APLMS – Towards 2036 for the purposes of public consultation, which is being undertaken from 17 June to 9 August 2024. A series of six fact sheets have been created as a quick reference guide on how the draft APLMS – Towards 2036 addresses each of the major themes. These fact sheets are available on the draft APLMS – Towards 2036 [consultation page](#).

At its meeting on 4 June 2024, Council noted that a workshop will be held with Council Members at the City Planning, Development and Business Affairs Committee to be held on 2 July 2024 to gather feedback on the draft APLMS – Towards 2036, which will subsequently be presented to Council for decision as a formal response to the public consultation being undertaken by Kadaltilla.

Administration will capture feedback from Council Members during this workshop and prepare a draft submission on the draft APLMS – Towards 2036. The draft submission will be reviewed by Council Members during the City Planning, Development and Business Affairs Committee meeting on 2 July 2024.
