Lord Mayor's Message

Whilst our goal is to operate with ambition, audacity, and vision, it's imperative to get the basics right before we can act with true aspiration.

The 2023/24 financial year laid the groundwork for this through a focus on post-pandemic budget repair and upgrades to our city's infrastructure.

This was the centrepiece of this new Council's first Business Plan & Budget, which focused on a conservative catch-up of our fees and charges allowing us to repair and restore footpaths, roads and parks.

We got the ball rolling on upgrades to some of our most popular main streets, with funds allocated to complete design work on Gouger, Hutt, Hindley, O'Connell, and Melbourne Street plans.

One of the highlights from the last 12 months was the completion of the much-anticipated upgrade of Rymill Park Lake, after more than eight months of construction work.

This enormous project saw the 65-year-old ornamental lake transformed into an environmentally sustainable water feature, including a new concrete basin, irrigation, walking paths, landscaping and a cutting-edge rain garden.

Work to complete two long-running projects, the North-South Bikeway along Frome Street and the final section of the Market to Riverbank link along Pitt Street, has also got underway.

The Council also funded the \$4.6 million Adelaide Town Hall façade restoration, a long overdue project that will ensure one of our city's most prominent landmarks is retained for generations to come.

A lack of affordable housing, high property prices and low rental vacancies meant Adelaide continued to be in the grips of a global housing crisis.

As a result, the Council moved to shore up more housing in our city by finalising the old Franklin Street bus depot sale to the State Government and subsequently buying an old car park on Flinders Street to bolster housing stock in the CBD.

We also updated key management audit and assets plans for the city and the Adelaide Park Lands, and developed new strategies around homelessness, housing, climate resilience, and economic development.

None of this would be possible without the utmost dedication and hard work shown by City of Adelaide staff day in and day out.

Whether they are picking up your garbage, planting annuals in our gorgeous garden beds, or planning ways to improve our city – their commitment is unmatched.

I can report that our staff hit all the targets given to them by Council, under the leadership of our newly appointed CEO, who has been acting in the job for more than six months.

I am consistently proud of what the City of Adelaide achieves and look forward to building on our successes in the 2024/25 financial year.

CEO Message

The 2023/24 financial year was a significant year for strategy development which resulted in Council's adoption of the City of Adelaide Strategic Plan 2024-2028. This plan paves the way for the City of Adelaide to be **Bold, Aspirational** and

Innovative in how we respond to the challenges that will unfold and creates new opportunities that will have a transformative impact on our city, communities and businesses over the coming years.

In the 2023/24 Business Plan and Budget, Council identified 12 Annual Priorities under the themes of Capital City Leadership, Community, Culture and Activation, Economy, Environment and Infrastructure. All priorities have been completed or have been significantly progressed over the course of the year.

The City of Adelaide continued to show Capital City Leadership by adopting a new Long Term Financial Plan, the Strategic Plan 2024-2028 and all our Asset Management Plans. We sought partnerships through successful government grant applications and the Adelaide Economic Development Agency's (AEDA) Strategic Partnership Program delivered targeted programs that supported small-medium growth ready businesses.

Council advocated for the Community by adopting a new Housing Strategy, Homelessness Strategy and Disability Access and Inclusion Plan. We entered into a contract with Renewal SA to redevelop the former Bus Station site and purchased 218-232 Flinders Street to investigate mixed-use outcomes including housing.

We supported the City's Culture and Activation by approving the National Heritage Management Plan of the Adelaide Park Lands and City Layout, supporting the History Festival and many reconciliation events including NAIDOC in the Mall and launching the Place of Reflection. We activated areas such as the East End, West End, Hutt Street and supported 45 events through AEDA's Events and Festivals Sponsorship Program and Commercial Events Program.

The City of Adelaide has prioritised the Economy by progressing an Economic Development Strategy and a City Plan which is a long-term spatial vision designed to better understand and support economic growth within the city. At the same time, AEDA continued to attract key businesses to the city, through their Business Attraction Program.

The City of Adelaide is continuing to prioritise the Environment by reviewing the Adelaide Park Lands Management Strategy and endorsing a new Integrated Climate Strategy. We planted over 900 trees in the Adelaide Park Lands and invested in our community through the Sustainability Incentive Scheme to support businesses and residents to reduce their greenhouse gas emissions.

Our Infrastructure team delivered a \$90.766 million Capital Works Program with over 350 projects being undertaken. Highlights of the program included:

- **Rymill Park / Murlawirrapurka Lake Redevelopment** – Rymill Park Lake was closed to the community in late 2023 for major redevelopment and reopened to the public in April 2024.
- **Adelaide Town Hall Conservation Project** – in August 2023, the City of Adelaide commenced over \$2.5 million of conservation works with the Pirie Street façade works completed in March 2024.
- **Market to Riverbank Laneways Upgrade** – Major works on Pitt Street, which is the final stage in the \$14.6 million Market to Riverbank Laneways project, commenced in October 2023.
- **Main Street Revitalisation Project** – progressing works and designs of Hindley, Gouger, Melbourne and Hutt Streets.

Our ongoing financial planning and management over the 2023/24 financial year has seen delivery of an operating surplus favourable to budget.

These achievements would not have been possible without the dedication and hard work of our over 700 staff who ensure those who live, work and play in the city can safely enjoy all that the City and North Adelaide have to offer.

What We Delivered

The 2023/24 financial year saw a cross-over of Council’s strategic focus areas with delivery of the 2020-2024 Strategic Plan and finalisation and adoption of the 2024-2028 Strategic Plan. During this period, Council Members also adopted their

first full annual business plan and budget (2023/24) for this Council’s term (2022-2026).

Council has also continued to deliver the legislatively required suite of Strategic Management Plans as articulated in the City of Adelaide 2024-2028 Strategic Plan and summarised below:

Strategic Plan Community	Long Term with a four year delivery focus. <i>Planning for the vision and aspirations of the Adelaide Capital City.</i>
Long Term Financial Plan Financial	Ten year Plan, revised annually to ensure a ten year view is maintained. <i>Planning for the long term financial sustainability of the City of Adelaide.</i>
Asset Management Plans Infrastructure	Suite of ten year Plans. <i>Planning for the sustainable renewal and maintenance of Council assets.</i>
City Plan Development/ Built Form	Ten year Spatial Plan. <i>Planning for the future land uses and built form of the Adelaide Capital City.</i>

Our Annual Focus – Business Plan and Budget

Post-COVID-19 budget repair and upgrades to City infrastructure were the focus for 2023/24, to support future sustainability and City amenity.

Our budgeted expenditure of \$268 million across operating and capital budgets funded strategic projects, services and activities that supported our infrastructure, our community, our economy, our culture and our environment.

To show progress on how we delivered on the budget, quarterly reports were provided to Council and our community throughout the year. These reports showed how we were delivering on our budget and priorities and are available online. Detailed financial statements are available in this document.

To further showcase our commitment to delivering on the 2023/24 Business Plan and Budget, Council articulated 12 annual priorities to be delivered. At the end of the financial year all were considered to be delivered on. On average 94% of the projects linked to priority areas were completed or considered on track.

Annual highlights against our 2023/24 priorities

Capital City Leadership:

- Strengthened partnerships across Government that supported joint co-investment, including with Renewal SA (State Government) on the finalisation of the Market to Riverbank Laneways upgrade (Pitt Street) and through the Adelaide City Deal (a joint Federal, State and City of Adelaide funding agreement) on the Adelaide Free WiFi and City Safe CCTV network upgrades.

Community:

- Endorsed the Homelessness Strategy – Everyone’s Business, which articulates key partnerships, including the Adelaide Zero Project and the Housing Strategy – Investing in our Housing Future, which includes targets for housing growth.

Culture and Activation:

- Worked with key partners to ensure diverse events and activations across the city, throughout the year. This included 195 licences issued for major events in the Adelaide Park Lands, 45 sponsored events, 330 activations in Rundle Mall, a focus on summer and winter activations, and a place and event experience with more events distributed to mainstreets and neighbourhoods.

Economy:

- Delivered the Adelaide Economic Development Agency (AEDA) Strategic Partnership Program, including partnership programs that supported over 35 city businesses with University of Adelaide's ThinLab, MTPConnect and SouthSTART to deliver targeted programs that support small-medium growth ready businesses, increasing jobs and investment. Funding continued for Renew Adelaide who supported the establishment of 30 businesses in vacant premises in the city.

Environment:

- Developed Council's Integrated Climate Strategy, following extensive engagement with Council, key stakeholders and the community. Built on best practice research and bringing together other policy documents in this space, this strategy will drive our actions to 2030 to be resilient, protected and sustainable.

Infrastructure:

- Invested over \$90 million through Council's Capital Works Program, with continued focus on the Mainstreet Revitalisation Project. This project included concept designs for Gouger Street, detailed designs and community engagement on Hindley Street, and initiating works for Hutt Street through stormwater and entryway improvements.

Towards the conclusion of the 2023/24 Business Plan and Budget, following several workshops, reports and community engagement, Council adopted the 2024/25 Business Plan and Budget, which will deliver on the first year of the 2024-2028 Strategic Plan.

Our 2024/25 Business Plan and Budget

- Invests more than \$110 million into our Capital Works Program, including over \$56 million for asset renewal for the \$2 billion plus owned Council assets (including roads, footpaths, parks, buildings)
- Commits 1.5% of our rate income to upgrading buildings in the Adelaide Park Lands ensuring sporting clubs and our community have the facilities they need now and for future generations
- Implements the Mainstreet Revitalisation Program, starting with upgrades in Hindley Street and designing with community input on upgrades for Gouger, O'Connell and Hutt Streets
- Invests \$2.5 million to drive affordable, safe and quality housing outcomes, including partnerships to support homelessness and initiatives to attract and retain residents
- Stimulates growth in the city's economy through major investments such as 88 O'Connell, Market Square and the Council-led development at 218-232 Flinders Street
- Focuses on core community services, including investing \$22.889 million on maintenance of open space and the Adelaide Park Lands, \$8.325 million on road renewals, \$5.377 million into libraries, and \$5.832 million on waste management
- Leads Adelaide into a climate resilient future, with \$3.531 million spent on implementing initiatives from our Integrated Climate Strategy
- Funds this delivery through responsible principles of financial sustainability, reflecting a general rates revenue increase of 5.9%.

Our Strategic Focus – Strategic Plans

Council continued to deliver on the last six months of the 2020-2024 Strategic Plan during this financial year, finalising delivery on 31 December 2023. This strategic plan contained 15 Measures of Success. Seven measures had favourable movement or were achieved compared to the baseline figure; seven had unfavourable movement; and one experienced no change.

Over the life of this plan all 49 Key Actions were delivered or were considered on track for delivery. The 2023/24 Business Plan and Budget, including the annual priorities, was aligned to and delivered on this Strategic Plan.

During 2023/24 Council also developed, consulted on and finalised a new Strategic Plan. The City of Adelaide Strategic Plan 2024-2028 came into effect on 1 January 2024 and articulates a long-term vision of **Our Adelaide. Bold. Aspirational. Innovative.**

Delivery of the Strategic Plan 2024-2028 is via five aspirations:

- Our Community: Vibrant, connected and inclusive
- Our Environment: Resilient, protected and sustainable

- Our Economy: Growing, innovative and responsive
- Our Places: Interesting, purposeful and safe
- Our Corporation: High performing, customer-centric and bold.

Year one of this new Strategic Plan will be delivered through the 2024/25 Business Plan and Budget.

Governance

Memberships and Meetings

The Council is established to provide leadership, strategy, governance and management of the City of Adelaide area while meeting legislative responsibilities.

Council's role is to:

- Act as a representative, and undertake informed and responsible decision-making in the interests of the City of Adelaide community, including ensuring financial sustainability
- Provide and coordinate various public services and facilities
- Develop its community and resources in a socially just and ecologically sustainable manner
- Encourage and develop initiatives within its community for improving the quality of life of the community
- Represent the interests of the community to the wider community
- Exercise, perform and discharge the powers, functions and duties of local government in relation to its area.

Council is accountable for city leadership, strategy development and delivery of efficient and effective local government services. The Council comprises a Lord Mayor and 11 Councillors (two Area Councillors, three South Ward Councillors, four Central Ward Councillors, two North Ward Councillors) who have been elected by the community to represent the interests of Adelaide's residents, businesses and daily city users. Local Government elections in South Australia are conducted every four years in accordance with the legislative framework provided in the *Local Government (Elections) Act 1999 (SA)*. The most recent Local Government elections were held in November 2022.

Council Representation Quota

The total representation quota is the number of electors for each Council Member, including the Lord Mayor. At 30 June 2024, the total representation quota for the City of Adelaide was 1:2,537 and the total number of electors was 30,445 on the combined Council and State Roll.

Council's representation quota compares with other similar councils (using the Australian Classification of Local Governments and data sourced from the

Meetings

The City of Adelaide Council's responsibilities are derived from the *Local Government Act 1999 (SA)* and the *City of Adelaide Act 1998*.

All meetings of the Council, Committees, Council Assessment Panel (CAP) and Kadaltilla/Adelaide Park Lands Authority are open to the public unless there is a resolution to exclude the public based on the relevant legislative provisions.

As part of its Strategic Plan 2024-2028, the City of Adelaide has committed to transparent decision-making based on data and evidence, and robust financial management as key enabling priorities. All Council items are assessed with the objective of ensuring transparency to ratepayers, while adhering to strict legislative provisions, such as those outlined in Section 90(3) of the *Local Government Act 1999 (SA)* and honouring all contractual requirements.

Documentation for each meeting (agenda with reports/attachments, minutes and meeting documents released from confidence) is available and accessible on the City of Adelaide's website (cityofadelaide.com.au).

Council met twice a month (the second Tuesday and fourth Tuesday of the month), except December and January, and Council's core committees (City Finance and Governance, Infrastructure and Public Works, City Community Services and Culture and City Planning, Development and Business Affairs) met monthly, except December and January. Other Committee meetings, Kadaltilla/Adelaide Park Lands Authority met monthly, except December and January. The Audit and Risk Committee and Council Assessment Panel met eight times, the Reconciliation Committee, and the CEO Performance Review Panel met quarterly. The Chief Executive Officer Selection Panel met nine times.

Public Involvement at Meetings

Public are welcome to attend meetings of Council and Committees. The only meetings live streamed to the City of Adelaide website are meetings of Council and Council's core committees (City Finance and Governance, Infrastructure and Public Works, City Community Services and Culture and City Planning, Development and Business Affairs). The meeting live stream is suspended for the duration of the item when the meeting is moved into confidence in accordance with the confidentiality provisions under the Act.

Members of the public can request to speak at a meeting of Council or Core Committee of Council

(deputation) or Kadaltilla/Adelaide Park Lands Authority (representation). A deputation or representation must be on matters that are the subject of deliberation at the meeting, or over which Council or Kadaltilla/Adelaide Park Lands Authority has a direct interest or responsibility. Registration and conditions are available on the City of Adelaide's website (cityofadelaide.com.au).

Members of the public are welcome to attend meetings of the CAP. A member of the public who has lodged a representation regarding a development application and has indicated that they wish to be heard regarding their representation, is able to appear before the CAP, either in person or by an agent.

City of Adelaide is fully committed to the principle of open and accountable government, a commitment that recognises that on some occasions it may be necessary to restrict public access to discussions or documents. Due diligence and professional consideration are applied to ensure compliance.

In accordance with Section 90(1) of the Act, all meetings held by Council are conducted in a place open to the public and operate in accordance with the provisions of the Act, Code of Practice and Parts 1, 2 and 4 in the *Local Government (Procedures at Meetings) Regulations 2013 (SA)*.

On every occasion that the provision to exclude the public within Section 90(2) and (3) of the Act was exercised, the minutes of the meeting included proceedings making the order and the grounds on which the order was made in accordance with Section 90(7) of the Act.

The City of Adelaide considers that possible embarrassment, loss of confidence, discussion of a controversial matter or being susceptible to adverse criticism in the Council or a committee is irrelevant when considering whether to exclude the public from a meeting. On every occasion that a meeting used the provision contained in Section 91(7) of the Act to order that a document or part of it be kept confidential, each order contained an instruction on the requirements, namely the duration of the order, the review date and the delegation to review/revoke, as identified in Section 91(9) of the Act.

In addition to the *Local Government Act 1999 (SA)*, items discussed at a CAP meeting may be discussed in confidence under Regulation 13 of the *Planning,*

Development and Infrastructure (General) Regulations 2017 (SA).

Policies and Procedures

The City of Adelaide is required to provide information in relation to procurement, risk and controls, access to information and records on select policies, codes and procedures. This section outlines those requirements for:

- Procurement
- National Competition Policy
- Risk Management
- Codes of Conduct or Practice
- Local Nuisance and Litter Control Act and Regulations
- Freedom of Information applications
- Section 270 internal reviews of Council decisions

Procurement

The City of Adelaide's Procurement Policy ensures that all procurement activities deliver the following key objective:

- Providing for equitable and ethical behaviour in all procurement activities and fair treatment of suppliers
- Obtaining value for money
- Negotiated outcomes
- Ensuring probity, accountability and transparency
- Effective management of the end-to-end procurement lifecycle
- Identification and management of risks
- Consideration of community impact, including social, environmental, Aboriginal and cultural considerations and the use of local goods and services; and
- Delegated signing authority with contracts that are \$2 million or greater presented to Council and delegated to the Chief Executive Officer for contract execution.

The City of Adelaide reserves the right to undertake open or select tenders when it considers appropriate. In circumstances where the City of Adelaide enters in to purchasing contracts other than those resulting from a tender process, the reasons for entering those contracts will be recorded and the records retained as appropriate.

When the City of Adelaide is purchasing goods, works or services where the estimated level of expenditure is between \$50,000 and \$150,000, formal quotations will usually be obtained. Where the estimated level of expenditure exceeds

\$150,000, the City of Adelaide will usually call for formal tenders.

The City of Adelaide is committed to achieving value for money in the procurement of goods and services that provide benefit to the community, and to supporting the economic, environmental, cultural and social life of the city. The Policy includes a focus on social benefit and procurement outcomes, with the inclusion of Aboriginal, cultural, environmental, and local economic outcomes to deliver on Council's Strategic Plan 2024-2028.

The policy allows for each procurement to be strategically planned to encompass weighted evaluation criteria, which ensures policy objectives are being achieved through successful procurement outcomes.

The Procurement Policy is designed to drive processes that are consistent, transparent and cultivate a competitive environment. The policy also seeks to advance good ethical practice and ensure an open, fair and competitive environment process that provides equal opportunities to participants. The principles of the policy are consistent with national codes and standards.

The policy supports the principles of South Australia's Industry Participation Policy and an employment contribution test or Industry Participation Policy Plan may be applied to tenders, testing the number of labour hours of South Australian residents associated with the primary contract. The Plan provides a clear statement of a tenderer's commitment to seeking opportunities to optimise the benefits of the contract to South Australia's economy and to use local industry. Both are evaluated at the time of tender and the Procurement Policy allows for the assigned weighting to be varied for each procurement.

Contract Management

A central team provides support and advice across the City of Adelaide to promote a high standard of contract management. This is to optimise contractor performance throughout the life of the contract and drive value for money. Certain key contracts are managed centrally, and a software system allows administration of contract data and provides additional tools to improve process rigour. The City of Adelaide is committed to high standards of corporate governance and accountability.

National Competition Policy

Principles of competitive neutrality are designed to neutralise any net competitive advantage that a government or local government agency engaged in significant business activities would otherwise have, by virtue of its control by the government or local government, over private business operating in the same market. The City of Adelaide has a complaints mechanism in place and in 2023-2024, no complaints were received with regard to competitive neutrality.

Significant Business Activities

There have been no other changes in the significant business activities controlled by the City of Adelaide

and competitive neutrality principles relevant to each significant business activity continue to apply. All City of Adelaide business activities include checks for competitive neutrality. In setting fees and charges, relevant government legislation and policies, market rates, community service obligations and impact on residents, ratepayers and visitors to the city, efficient allocation of resources and funds to reflect best value practices, impact on competitors – actual and potential – and local, state and national economies, and organisational policies are considered. Category One applies to business activities with annual revenue in excess of \$2 million or employing assets with a value in excess of \$20 million.

Business Activity	Type	Category*	Comments
UPark	Council	COM	Provision of off-street parking services across the city.
Adelaide Aquatic Centre	Council	COM	Recreation, leisure and aquatics sports facility.
North Adelaide Golf Course	Council	COM	Three golf courses (two 18-hole and one par 3) and clubhouse.
Adelaide Town Hall	Council	COM	Venue hire for a range of events and catered functions.

Risk Management

The Audit and Risk Committee was established pursuant to Section 126 of the *Local Government Act 1999 (SA)*, to assist the Council discharge its responsibilities. Reporting to the City of Adelaide, the Audit and Risk Committee provides advice to recommendations on matters relevant to its Terms of Reference in order to facilitate decision making by Council in regard to financial reporting, internal controls, risk management, management plans and business plans, service planning and performance, internal audit and external audit.

The City of Adelaide maintains an Internal Audit function which reports to Management and the Audit and Risk Committee. The role of the Internal Auditor is to identify more efficient and effective processes and to assist Council and the Chief Executive Officer meet their assurance obligations. The Internal Audit function is contracted to KPMG for a period of two years, with options for two one-year extensions, expiring no later than the end of 2024. The Internal Audit plan is reviewed and endorsed by the Audit and Risk Committee which

also review internal audit report findings on a quarterly basis.

Pursuant to Section 128 of the *Local Government Act 1999 (SA)*, the External Auditors appointed by Council are BDO Audit Partnership (SA). To maintain the highest standards of corporate governance in relation to auditor independence, the External Auditors are excluded from providing non-audit services to Council. Non-audit services are defined as any service provided by the External Auditor under engagement with the Council outside the scope of the external audit. The Audit and Risk Committee reviews the scope and progress of the annual audit in accordance with its Terms of Reference.

Enterprise Risk Management

City of Adelaide manages strategic, emerging, project, operational, and financial risk through its Enterprise Risk Management Framework which has been developed in accordance with International Standards ISO 31000:2018.

The framework ensures risks are identified, assessed and properly managed and reported on. Such a process supports Council to achieve its strategic goals and that the Lord Mayor and Councillors fulfil their legislative roles.

The success of the Enterprise Risk Management model is a result of a strong Executive involvement through monthly reporting of risk and internal audit matters to the Strategic Risk and Internal Audit Group, and quarterly reporting to the Audit and Risk Committee.

Internal Control Framework

Pursuant to Section 125 of the *Local Government Act 1999 (SA)*, the City of Adelaide must ensure that appropriate policies and procedures of internal controls are implemented and reviewed to assist Council to carry out its activities in an efficient manner to achieve its strategic objectives. The City of Adelaide's Internal Controls are essentially processes for assuring its achievement of objectives in operational effectiveness and efficiency, reliable financial reporting, and compliance with laws, regulations and policies. Internal Controls include a range of activities such as approvals, delegations, security of assets and segregation of duties.

Codes & Policies

Available online at cityofadelaide.com.au, Codes of Practice required to be kept under the *Local Government Act 1999 (SA)*, *Local Government (Elections) Act 1999 (SA)* and the *City of Adelaide Act 1998* are:

Community Land and Council Facilities

Under the *Local Government Act 1999 (SA)*, Council is required to appropriately manage its property and infrastructure assets. The City of Adelaide primarily does so through Community Land Management Plans (CLMP) and Asset Management Plans and coordinates these efforts through infrastructure, facilities management, property management and policy coordination.

In 2023/24, the City of Adelaide continued to undertake a review and seek community input into key strategic and legislatively required documents for community land and assets, including:

- Community Land Management Plan for the Adelaide Park Lands
- Asset Management Plans (AMP) – Urban Elements, Transport, Buildings, Park Lands and Open Space, Public Lighting and Electrical, and Water Infrastructure
- Adelaide Park Lands Management Strategy

Planning, expenditure and works to be undertaken in the public realm were considered through the

development of the Annual Business Plan and Budget process. A range of activities in the public realm were also engaged on through the year:

- Victoria Park / Pakapakanthi (Park 16) Master Plan & Sports Facilities
- Melbourne, Hindley, Gouger, Flinders & Wakefield Streets improvements
- Francis Street renewal
- Kingston Terrace concept design and stormwater improvement
- Halifax Community Garden Community Land Management Plan
- Light Square / Wauwi Master Plan

All local government land (except roads) that is owned by a council or under a council's care, control and management, is classified as community land, unless the council resolves to exclude the land from classification as community land. The City of Adelaide keeps a record of all CLMPs and a Community Land Register for the Adelaide Park Lands online at cityofadelaide.com.au.

Confidentiality Provisions

Section 90(2) of the *Local Government Act 1999 (SA)* (the Act) enables a meeting of Council or a committee to determine an order that the public be excluded from attendance at so much of a meeting as is necessary to receive and discuss, or consider in confidence, any information or matter as prescribed in Section 90(3) of the Act, this is an "Order to exclude".

Section 91(7) of the Act enables a meeting of Council, or a committee, having considered a matter on a confidential basis to determine an order that the document of part be kept confidential, these are "Confidentiality orders".

Attachment B

Financial

Further to the information contained in this Annual Report, Council is legislatively required to provide the following information:

- External Funding
- Audited Financial Statements and Auditor Independence

Council also provides the associated annual reports for Subsidiaries and entities to which Council has an interest in, which are separate to this Annual Report:

- Adelaide Central Market Authority
- Adelaide Economic Development Agency
- Kadaltilla/Adelaide Park Lands Authority
- Brown Hill Keswick Creek Stormwater Board
- City of Adelaide's Audit and Risk Committee

External Funding

The City of Adelaide works collaboratively with many partners. This strong partnership network enables a far greater impact than working alone. Key to these partnerships are grants and subsidies that are received from the Australian Government and South Australian Government.
