

# 2025/26 Tree Martin Management Workshop

Strategic Alignment - Our Environment

Public

**Tuesday, 4 November 2025**  
**City Planning, Development and Business Affairs Committee**

**Presenter:** Matthew Field, Acting Associate Director, Park Lands, Policy & Sustainability

## PURPOSE OF WORKSHOP

The purpose of this workshop is to provide an overview of the proposed management actions for the upcoming Tree Martin roosting season which is approximately 5 months between December / January and April / May each year.

It outlines the City of Adelaide's coordinated approach to ensuring community amenity, public safety, business vitality and the welfare of wildlife during the 2026 migratory season.

---

## KEY QUESTIONS

1. *What role can Council Members play in communicating with the community and providing a conduit for feedback to the project team?*
2. *What support can Council Members provide to the project to ensure positive outcomes for stakeholders and improve urban biodiversity and address issues for commercial operators over the longer term?*
