DISCUSSION

1. The purpose of the Quarterly Forward Procurement Report is to provide further information and visibility to Council on major procurement and contracting activity.
2. The following is an extract from the Procurement Policy, adopted by Council on 14 December 2021:
“The Council will have regard to the following measures in ensuring probity, accountability and transparency:
 - *Council Members will be provided with a quarterly Forward Procurement Report, for noting, detailing planned tenders and subsequent contracts that have an estimated value of over \$2,000,000 (ex GST) or that are of high risk and will require the approval of the Council Members.*
 - *Council Members will be requested to approve the award of all contracts that exceed \$2,000,000 (ex GST).”*
3. As such, a Quarterly Forward Procurement Report is provided to Council each quarter outlining planned procurement activities with an estimated spend over \$2,000,000.
4. This report covers Quarter 3 of the 2025/26 financial year.
5. The Procurements listed in **Attachment A** of this report are planned to be released to the market during Quarter 3 of the 2025/26 financial year.
6. **Attachment A** outlines four tenders going to market in Quarter 3. The City of Adelaide is also undertaking an Expression of Interest (EOI) process to investigate future service delivery models for the collection of kerb side waste, recycling and organics. This market engagement will inform the development of a Request for Tender in a future quarter, noting a contract end date for these kerbside services of 1 July 2027.
7. The Procurement Policy ([Link 1 view here](#)) requires the provision of a forward procurement plan for expected expenditure over \$150,000 be made publicly available on the City of Adelaide website. This report is prepared at the start of the financial year and represents an estimate of procurements based on the approved business plan and budget and upcoming expiring contracts. This is also available on the website.
8. All of the procurement budgets and projects were approved by Council and no additional decision is sought. This report is provided for information purposes only.
