

# Councillor Maher - MoN - Kerbside and Parking Management Policy

Tuesday, 24 February 2026  
Council

**Council Member**  
Councillor Patrick Maher

Public

**Contact Officer:**  
Jo Podoliak, Director City  
Community

## MOTION ON NOTICE

**Councillor Patrick Maher will move a motion and seek a seconder for the matter shown below to facilitate consideration by the Council:**

'That Council:

1. Notes a Draft Kerbside and Parking Management Policy has been submitted for Council consideration as part of the 2026/27 Business Plan and Budget process.
2. Requests the development of the Policy includes a review of principles and priorities for parking spaces and controls relevant to specific segments of the City and North Adelaide.
3. Requests the review considers relevant data sets and reflects the differing parking needs of residents, workers, visitors, businesses, those with disabilities, and those seeking short term/drop off spaces.
4. Notes the work that charities and service organisations deliver in the city, particularly for vulnerable members of our community.
5. Requests Administration prepare a report outlining potential parking options to support charities and not-for-profit service organisations, for Council consideration in 2026 – ahead of the Draft Kerbside and Parking Management Policy.'

---

## ADMINISTRATION COMMENT

1. Administration acknowledges the important work that charities and not-for-profit organisations provide for the community.
2. Requests for parking permits and support are received from a wide range of stakeholders and service providers, including charities, all with differing needs and objectives.
3. The current Residential and Visitor Parking Permit Operating Guidelines do not extend to offering on-street parking permits for charities or not-for-profit organisations.
4. Administration anticipates the challenge in any such scheme will be determining eligibility criteria for which services qualify to receive support, and which do not.
5. Should Council resolve to support the proposed motion, a report will be developed to be delivered by the end of 2026, outlining options associated with the provision of parking support to charities and not-for-profit service organisations and the associated challenges.
6. Administration notes the outcomes of this report will be considered as part of the development of the Draft Kerbside and Parking Management Policy (subject to Council consideration and approval through the 2026/27 Business Plan and Budget process) which seeks to develop a new Policy to replace the current On Street Parking Policy.

Should the motion be carried, the following implications of this motion should be considered. Note any costs provided are estimates only – no quotes or prices have been obtained:	
Public consultation	Not applicable
External consultant advice	Not applicable
Legal advice / litigation (eg contract breach)	Not applicable
Impacts on existing projects	Not applicable
