Received 8 February 2023

making Hamilton Place a one-way street

To the Lord Mayor and Councillors of the City of Adelaide,
Given that:

- at the corner of Hurman Street and Hamilton Place there is a third vehicular entrance from the apartment block situated at 100 South Terrace,
- and given that vehicles that meet at this corner are often forced to mount the footpath on one or other side of the road to make way for oncoming vehicles,
- and given that any vehicle exiting onto, or turning into Hamilton Place from Morphett Street must reverse whenever it is met by a vehicle travelling in the opposite direction,
- and given that the installation of any partial traffic barrier would add to the greening of the streets,

We, the undersigned, do hereby urge the Adelaide City Council to have Hamilton Place made a one-way street, by installing a partial traffic barrier near the corner of Hamilton Place and Hurman Street, and that this be done in such a way as to maintain the two-way traffic flow on Hurman Street
