and Business Affairs
Committee**

Program Contact:

Sarah Gilmour, Associate
Director Park Lands Policy and
Sustainability

Approving Officer:

Ilia Houridis, Director City
Shaping

PURPOSE OF WORKSHOP

The purpose of this workshop is to seek input from Council Members into key parameters that will inform future urban design principles and future growth scenarios to develop the City Plan.

KEY QUESTIONS

What are Council Members' views on these city shaping ideas?

NEXT STEPS

- Development of urban design principles and spatial analysis frameworks and future development scenarios
- Members are invited to attend a Cultural Walk
- Update will be provided before our second engagement on 6th June '23
- Present the draft principles and framework for comment and ahead of being finalised at our third engagement on 4th July '23
